AB 663 as amended in Senate August 21, 2023

(Pursuant to Joint Rule 26.5)

AB 663, as it passed the Assembly, exempted specified entities operating a mobile unit as an extension of the entity's pharmacy license from the existing prohibition on carrying or dispensing controlled substances in mobile units for specified categories of controlled substances approved by the United States Food and Drug Administration for the treatment of opioid use disorder. AB 663, as it passed the Assembly, also expanded existing authority for these specified entities to include providing prescription medications to individuals living in city-and-county-operated housing facilities.

The Senate amendments also expand existing authority for a specified entity to operate a mobile unit to include the operation of additional mobile units. The Senate amendments require the pharmacist-in-charge to determine the number of mobile units that are appropriate for a particular pharmacy license. The Senate amendments modify existing notification requirements regarding the operation of a mobile unit to require notification to the California State Board of Pharmacy of the intention to operate a mobile unit as soon as possible, and no later than 5 business days after commencing operation of a mobile unit, and of the intention to discontinue operation of a mobile unit as soon as possible, and at least one business day before discontinuing operation of a mobile unit.

AB 1032 as amended in Senate September 8, 2023
(Pursuant to Joint Rule 26.5)

AB 1032, as it passed the Assembly, made various changes to the Trial Court Interpreter Employment and Labor Relations Act (the act), including authorizing the appointment of an independent contractor under the act who is not registered in a language of lesser diffusion, as defined, and is appointed on a temporary basis, authorizing an interpreter that is certified or registered and paid directly by the parties in a civil proceeding to be appointed under the act, repealing provisions authorizing the appointment of an independent contractor on a day-to-day basis to perform spoken language interpretation services in specified circumstances, requiring the appointment of a court interpreter pro tempore on a 12 day or full day per diem basis, as needed, requiring the regional court interpreter employment relations committee and the recognized employee organization to engage in binding arbitration or fact finding mediation through the California State Mediation and Conciliation Service if they failed to reach an agreement regarding wages, hours, and other terms and conditions of employment.

The Senate amendments eliminate provisions authorizing the appointment of an independent contractor who is an interpreter of a language of lesser diffusion and the provisions regarding mediation through the California State Mediation and Conciliation Services. The Senate amendments, beginning January 1, 2025, authorize an interpreter who is certified or registered and paid directly by the parties in a proceeding to be appointed under the act, rename a court interpreter pro tempore as an intermittent, part-time interpreter and make conforming changes, and authorize courts to hire registered or nonregistered interpreters as employees to perform relay interpretation, as defined, but only if the trial court has employed an interpreter of the same language pair. The Senate amendments require the Judicial Council to

AB 258 as amended in Senate September 8, 2023

(Pursuant to Joint Rule 26.5)

AB 258, as it passed the Assembly, recast provisions concerning the Small Business Advocate's responsibility to post specified information on the GO-Biz internet website or the advocate's website and required to the advocate to establish on the GO-Biz or advocate's internet website an internet web portal entitled "The Front Door." AB 258, as it passed the Assembly, required the internet web portal titled "The Front Door" to include, at a minimum, among other things, information on and links to financial resources and business incentives offered by the state or federal government to small businesses. AB 258, as it passed the Assembly, required, in addition to other methods for displaying this information, the information to be searchable through an interactive web-based tool to assist small businesses in identifying available resources and incentives for which those small businesses may be eligible. AB 258, as it passed the Assembly, required the Department of General Services, in consultation with the Office of Small Business Advocate, the Office of Small Business and Disabled Veteran Business Enterprise Services, and the Public Utilities Commission Supplier Clearinghouse, to provide an internet web page with specified web links, including links to an online directory of state-certified vendors by category of contract, including contracts for goods, services, information technology, and construction, and a contact and digital form for vendors to submit their information to be included in the directory. AB 258, as it passed the Assembly, required the department to notify each state agency or department that the internet web page is a resource for sourcing vendors, as specified.

The Senate amendments, instead, require the advocate to establish on the GO-Biz or advocate's internet website an internet web portal that includes, at a minimum, among other things, information on and links to financial resources and business

AB 350 as amended in Senate August 22, 2023
(Pursuant to Joint Rule 26.5)

AB 350, as it passed the Assembly, among other things, required the Sacramento Area Council of Governments to adopt and submit its update to the 2020 regional transportation plan adopted on November 18, 2019, to the California Transportation Commission and the Department of Transportation on or before December 31, 2025, and prohibited the State Air Resources Board from updating the greenhouse gas emission reduction targets for the region within the Sacramento Area Council of Governments' jurisdiction before the update's adoption, as specified.

The Senate amendments require that the Sacramento Area Council of Governments' update additionally include specified information and development and pilot implementation of an equity-centered, community-cocreated infrastructure project development and funding prioritization process in disadvantaged communities, and prohibit the state board from applying any update to, rather than updating, the greenhouse gas emission reduction targets described above before the update's adoption. The Senate amendments also require the Sacramento Area Council of Governments, on or before July 1, 2026, and biennially thereafter, to report on the regional implementation of its most recently adopted sustainable communities strategy using indicators developed and vetted with stakeholders, as specified.

Legislative Counsel’s Digest

AB 1286 as amended in Senate July 13, 2023
(Pursuant to Joint Rule 26.5)

AB 1286, as it passed the Assembly, among other changes to provisions of the Pharmacy Law, authorized a pharmacist-in-charge to close a pharmacy under conditions that present an immediate risk of specified harms and required the pharmacist-in-charge to reopen, or authorize reopening, the pharmacy immediately upon the abatement of those conditions, if the abatement has occurred during regular pharmacy business hours. AB 1286, as it passed the Assembly, also authorized a pharmacist on duty to close a chain community pharmacy if, in their opinion, the staffing at the pharmacy is inadequate to safely fill or dispense prescriptions or provide other patient care services for which a license is required under existing law in a safe manner without fear of retaliation.

The Senate amendments revise those provisions, including deleting the authorizations to close a pharmacy as prescribed, and, instead, require a pharmacist-in-charge or pharmacist on duty to immediately notify store management of any conditions that present such an immediate risk. The Senate amendments additionally require store management to take immediate and reasonable steps to address and resolve those conditions, and, if those conditions are not resolved within 24 hours, require notification to the California State Board of Pharmacy. The Senate amendments require the executive officer, upon a reasonable belief that conditions within a pharmacy exist that present an immediate risk, to issue a cease and desist order, as specified. The Senate amendments make a failure to comply with the cease

and desist order unprofessional conduct for a pharmacy corporation.

AB 1286, as it passed the Assembly, deemed prescribed reports of medication errors by a licensed community pharmacy to an entity approved by the board confidential and not subject to discovery, subpoena, or disclosure pursuant to the California Public Records Act.

The Senate amendments authorize the board to publish deidentified information compiled from the data in the reports.

AB 1286, as it passed the Assembly, expanded the authorized tasks of pharmacy technicians to include administration of certain vaccines and epinephrine, performing specimen collection for specified tests, receiving prescription transfers, and accepting clarification on prescriptions under prescribed conditions.

The Senate amendments require these additional tasks to be under the direct supervision and control of a pharmacist and revise the prescribed conditions.

AB 1286, as it passed the Assembly, also added to the grounds for required action by the board against a licensee for unprofessional conduct, including specified actions or conduct that would subvert, or tend to subvert, prescribed efforts of interns and licensees.

The Senate amendments revise those grounds to apply only to specified actions or conduct that would subvert the prescribed efforts.

AB 1404 as amended in Senate September 8, 2023

(Pursuant to Joint Rule 26.5)

AB 1404, as it passed the Assembly, required the Judicial Council, on or before January 1, 2025, to adopt a written advisory notice, as specified, for use by a plaintiff’s attorney to comply with the requirement that an attorney provide a copy of the written advisory notice with each demand letter or complaint sent to or served upon a defendant alleging an internet website-related accessibility claim, in specified languages, including English and Spanish, as prescribed, among other things. AB 1404, as it passed the Assembly, provided that the requirement that an attorney provide a copy of the written advisory notice with each demand letter or complaint sent to or served upon a defendant alleging an internet website-related accessibility claim only applies to claims filed on or after January 1, 2024. AB 1404, as it passed the Assembly, provided that this act shall become operative only if AB 1757 of the 2023–24 Regular Session is enacted and takes effect on or before January 1, 2024.

AB 1650 as amended in Senate June 29, 2023

(Pursuant to Joint Rule 26.5)

AB 1650, as it passed the Assembly, expanded a superior court’s jurisdiction to make judicial determinations regarding the custody and care of children to a child up to 21 years of age. AB 1650, as it passed the Assembly, required a petitioner for adoption to file a postadoption contact agreement with the court before the adoption is finalized and authorized any other party to the agreement to file the agreement with the court at any time during the child’s minority.

The Senate amendments expand those provisions relating to the superior court’s jurisdiction to also allow the superior court jurisdiction regarding dependency and delay the operation of those provisions until January 1, 2025. The Senate amendments require petitioners for adoption to inform the court in writing, on a specified form, whether a postadoption contact agreement has been or will be entered into and also eliminate the authorization for any other party to the agreement to file the postadoption contact agreement with the court.
